## VOLUNTEER OPPORTUNITIES

Did you know as a not-for-profit, member-owned organization, Strategic is run by volunteers? Our Board of Directors and Supervisory Committee are staffed with credit union members that volunteer their time to help define and manage the strategic direction of the organization. Volunteers are responsible for ensuring our members' deposits are kept safe and members' needs are being met with appropriate products and services. Directors develop a road map of strategic plans for management and staff to follow and set policy for lending, collections, and investments. Supervisory Committee members ensure the safety and security of member accounts and credit union assets by monitoring internal controls and arranging for independent internal audits.

If interested in volunteering to help Strategic Credit Union continue to grow and succeed, we encourage you to apply for a position on the Supervisory Committee or the Board of Directors. Contact any employee or one of our current Board members for more information.
